ESPGHAN
ALLIED HEALTH PROFESSIONALS AUTUMN SCHOOL
"INNOVATIVE AND EMERGING CLINICAL PRACTISE FOR AHP'S"

Aim:

After the Autumn School, participants should:

- Have an overview of the conditions covered with access to up-to-date literature/guidelines.
- Have the chance to discuss how to navigate, implement and advance appropriate clinical management to their patients.
- Have the chance to discuss their complex cases in an interactive environment.

Participants:

The School is aimed at dietitians, nurses, speech and language therapists, psychologists and other AHP (OT, physiotherapists) involved in paediatric gastroenterology, hepatology and nutrition. No specific background is requested.

The course language is English.
